

Hmm?

I was just saying tonight's plans have changed. Instead of everyone meeting at the new neighbor's before dinner, we're meeting them downtown.

Um-hmm.

The reservation is for 7:30, which means if we leave around 7:15, we'll have plenty of time. Honey, are you listening to me?

Sure. Mm-hmm. Hey, you know what I love about living here?

Everything. It's close to town. It's quiet. Great neighbors. We really live here. See, I listen.

Hmm?

Edgemont Highlands.
