

Hey Mom, know what?

Not now, sweetie. Our family photo is today. This will be our nicest one yet. Scott, did you walk the dog on the trails? Ian, did you comb your hair?

Hey Mom, know what? It's important.

One sec, sweetie. Scott, are you fly fishing on the Florida tomorrow? Spencer, some kids down the street asked if you could jam with them later, whatever that means.

Mom, I gotta tell you something important. Guess what?

Hey, everyone, the photographer's here. No making faces this time. I want everyone to see how beautiful this place is. OK, sweetie, what is it you want to tell me?

I forgot.
